

To my wonderful clients and friends,

It is with a heavy heart that I announce I am leaving The Paw Patch Place Animal Hospital after almost 7 years. My husband and I are moving back home, which as many of you know from my accent, is in Wisconsin. We have made many friends and met many great people during our time in Indianapolis, whom we are going to miss, but at this stage in our lives it is important for us to move closer to family.

I am not good with goodbyes so I apologize to those who might feel offended that I have left having written only this letter, without personally shaking your hand and exchanging best wishes. I had so many people to thank for their support and dedication that it was impossible to personally get to see you all with the short time that was available.

I am truly humbled to have worked at The Paw Patch Place with such fantastic and loyal clientele. Whether I had only seen you once a year or as often as every couple weeks, you and your pets were important to me and I hope that showed through my work. Your dedication to your pets and to the hospital made my time so meaningful. Caring for your pets brought joy not only to my professional life but to my personal life. I have truly enjoyed my time at The Paw Patch Place and was well supported by my staff and by each of you. I hope I was able to provide support, love, and the best quality care for all your furry friends.

I leave this place with great confidence in the staff. Knowing that they are more than capable of overcoming any hurdles that may arise. Dr. Penny Dowden has assembled a very friendly and competent team to continue to provide excellent support to your precious pets. This provides me with a sense of pride and gratitude that is indescribable.

I wish you and your pets a safe, healthy, and happy year!

Thanks, regards, and best wishes,

Dr. Shauna Lindsley
